

**CANDIDATE FOR GOVERNING BOARD MEMBER
CHINO VALLEY UNIFIED SCHOOL DISTRICT**

NAME: SYLVIA (CERVANTEZ) OROZCO

AGE: 45

OCCUPATION: Accounting Professional

PUTTING CHILDREN **F.I.R.S.T.** is my commitment! I'm a lifelong resident, CVUSD graduate, wife, and mother. I'm a university graduate, accounting professional and family literacy consultant. I care about the success of our students. "Putting children f.i.r.s.t." means working together towards: Fulfilling every child's potential to attain high academic standards. Identifying children's needs and successfully intervening with increased counseling, peer mentoring, service learning, etc. Relationship-building with stakeholders, especially parents and CVUSD professionals. Securing resources through grant writing and petitioning for funding to which we're entitled, and Trust-building with professional conduct.

As Citizens for Kids President, we achieved our most successful fundraiser. While Measure M Oversight Committee Chairperson/member, we scrutinized CVUSD's construction program following a disapproving county audit. I developed strategy on CVUSD's Strategic Planning Committee.

As your trustee, I will continue to build trusting relationships to enrich our children's educational experience. I will serve with **integrity**, fiscal prudence, **accountability**, and thoughtful **leadership** -
- avoiding Board member harassment settlements, Brown Act violations, micromanagement, unnecessary legal expenses, prolonged labor negotiations, county intervention to save district finances, etc. I will focus on what's best for children. Together, let's make a difference by *putting children first!*

Vote Sylvia Orozco!

Thank you!
